Please indicate by signing below that you recommend this student be considered for the award of Distinction in Research and Creative Work. This honor is awarded upon graduation to select students whose achievements go "above and beyond the norm" in their area of research, design, or other creative work. The supporting faculty member is expected to have worked with the student on a regular basis and have intimate knowledge of the student's accomplishments, capabilities, and/or contributions in research, design, or other creative work. **The supporting faculty must also provide a statement (approximately 1 page) addressing the substance and significance of the research/design/creative work and/or, if appropriate, the student's contribution to a research/design/creative project.** (Please attach the statement to this page.)
